

# Grievance Delegate Glen Site

I have been employed at the MUHC since 2001.

I am up to the task. I will do my utmost to keep you updated. As the information comes in, I will pass it along to you the members.

I have advised many co-workers with their grievance problems.

I am loyal and hard working, I am for the membership, and will continue to look out for your best interests.

I am looking forward to making sure that the collective agreement is respected. It is time for us to band together to present a united front.
